The essence of being human in the digital age.

**U.b.do** is a 5 week interactive innovative teaching and learning program aligned to the NSW Stage 4 and 5 drama syllabus addressing the issue of digital citizenship.

- Students will be introduced to how drama can stage issues to generate discussion and provoke change.
- Students will develop knowledge, understanding and skills in playbuilding when navigating structured scenarios of online situations as proactive digital citizens.
- Students will endeavour to understand their role as digital citizens and the meaning of positive engagement in social media.
